

Looking to improve your English?

Intensive English prepares students for college/ university pathways, career advancement, or for personal interest.

Intensive English

English program designed to improve overall competency in English. This program is intended to prepare students for entry into Spokane Community College programs and future university studies.

Course Content

Morning Class: From 9:00am - 12:00am

In the morning students study all skills (Reading / Writing / Listening / Speaking / Grammar). There are three levels, from Elementary to Advanced.

Afternoon Class: From 1:00pm - 3:00pm

This crucial component to the program focuses on improving writing skills - from basic sentence construction to different essay formats.

Course Length

Each level is 12 weeks long. Students move up based on progress within the class and final exams in writing, speaking, listening, reading and grammar.

Daily Class Times

Monday to Friday 9:00am-3:00pm (22.5 hours per week)
